Allow access to the microphone on this device

If you allow access, people using this device will be able to choose if their apps have microphone access by using the settings on this page. Denying access blocks apps from accessing the microphone.

Microphone access for this device is on

Change

Allow apps to access your microphone

If you allow access, you can choose which apps can access your microphone by using the settings on this page. Denying access only blocks apps from accessing your microphone. It does not block Windows.

☒ On

Choose which apps can access your microphone

Some apps need to access your microphone to work as intended. Turning off an app here might limit what it can do.
